RESPONSE TO EXAMINER'S ANSWER

Mail Stop AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This response is offered to the Examiner's answer in reply to the applicant's appeal brief as was mailed on April 20, 2005.

The applicant simply wishes to advise the Board that the aforementioned appeal brief should be read in its entirety notwithstanding that the Examiner has withdrawn no less than three of the previously articulated bases of rejection. This request is based upon a belief that the description and characterizations of the prior art as is presented in those corresponding sections of the appeal brief remain relevant to that rejection which the Examiner continues to maintain.

Respectfully submitted,

By:
